PURPOSE & VISIONS

I look into the people
They are so scared
But I do not see why
They have nothing to lose

Kabir

Approve life as it is and you open all doors to your potential
You carry a treasure in you – respect yourself as you are – love yourself as you are
Look again – fearlessly deep inside of you – what do you discover in you?
Celebrate life! Celebrate death! Hold the hand of a human – look again – with love
